## MOLLY AUSTIN

*Molly Anne Austin:*

*Graduation is a time of looking back and looking forward. It is a special time to celebrate all the hard work and struggles of the past and to look forward to sharing with others whom we will meet in the future. So we are just letting you know we are very proud of all you have accomplished and very proud of the special gift of you.*

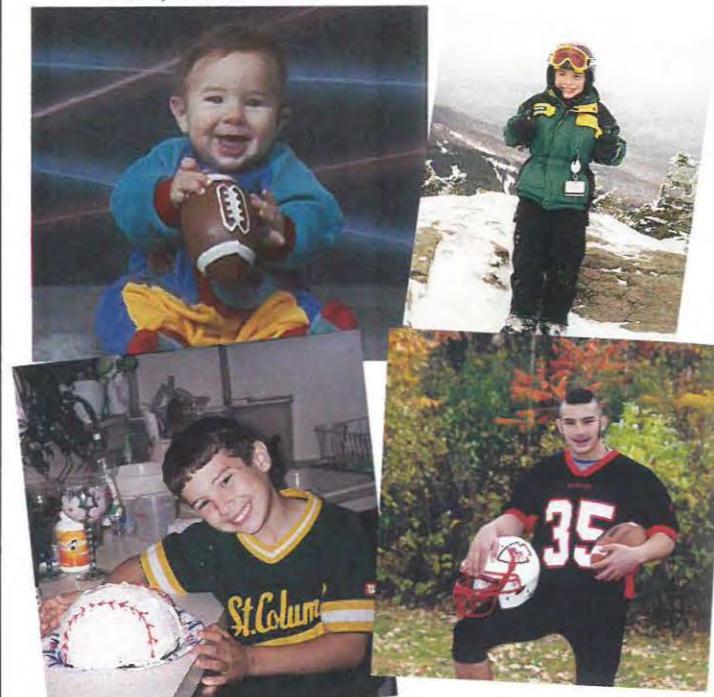

*Love,  
Mom and Dad*

## MIKE PILEGGI

Mike, It's been fun watching you grow. We are very proud of the person you have become. Keep on smiling.
